WEDDINGS | BAR/BAT MITZVAHS | FAMILY SIMCHAS | SHABBATONIM | BRIS | SHIVA

The DoubleTree has over 20,000 square feet of gathering space. Our main ballroom is approximately 11,000 square feet, and can be broken into 4 quadrants with its movable wall systems. In addition to the ballroom, we have various supporting gathering rooms that are renovated with high quality modern finishes. Our hotel features traditional accommodations, as well as Kosher-certified catering options and full event support.

The hotel and conference center is conveniently located in Pikesville, at the heart of the Jewish community, and is just minutes away from Thurgood Marshall (BWI) Airport, the Inner Harbor, and various Baltimore attractions. Right off of the I-695 Pikesville exit, the location is convenient for both out-of-town and local guests. The hotel is right down the road from more than a dozen Kosher restaurants, bakeries, grocers and Jewish stores. Enjoy complimentary parking and easy access to shopping, dining, and entertainment.

With Y Events as DoubleTree's preferred caterer, let us turn your vision into a seamless and unforgettable simcha.
